End-Of-Life Notice – AirCard® 402

November 19th, 2010

Sierra Wireless has initiated the End-Of-Life process for the AirCard 402.

No new orders will be available for the AirCard 402 except for what is currently in inventory. Please check with your Sierra Wireless sales account manager for more details.

Sierra Wireless will continue to provide existing AirCard 402 customers with support and technical assistance on a reasonable commercial basis for a minimum term of 1 year (ending November 21st, 2012).

We encourage our valued customers to ask about our currently available products supporting EV-DO Rev A and WiMAX– our AirCard 250U USB modem and the AirCard W801 Mobile Hotspot. In addition, USB 598 will be available throughout 2011.

We would like to thank all our existing AirCard 402 customers for their support. If you have any questions, concerns, or are interested in learning how our other products can fill your needs, please contact your Account Manager, our Sales Desk, Customer Support Team or visit our web site at www.sierrawireless.com.

Sincerely,
SIERRA WIRELESS
Product Management Team
